

## **Linton Estate receives 2013 Australian Excellence Award**

May 22nd 2014 - Linton Estate has been selected for the 2013 Australian Excellence Award amongst all its peers and competitors by the US Trade & Commerce Institute (USTCI).

Each year the USTCI conducts business surveys and industry research to identify certain international companies that have achieved demonstrable success in their local business environment and industry category. They are recognized as having enhanced the commitment and contribution of small businesses through service to their customers and community. Companies of this calibre enhance the consumer driven stature that the Australian economy is renowned for.

Linton Estate is The First In The World GLBTI Residential Community Lifestyle Living With Aging In Place. Linton Estate is located in Ballan, Victoria, Australia.

Linton Estates website is [www.lintonestate.com.au](http://www.lintonestate.com.au)

Linton Estate has consistently demonstrated a high regard for upholding business ethics and company values. This recognition by USTCI marks a significant achievement as an emerging leader within various competitors and is setting benchmarks that the industry should follow.

As part of the industry research and business surveys, various sources of information were gathered and analysed to choose the selected companies in each category. This research is part of an exhaustive process that encapsulates a year long immersion in the business climate of the Australian economy.

### **About USTCI**

The USTCI is a leading authority on researching, evaluating and recognizing companies across a wide spectrum of industries that meet its stringent standards of excellence. It has spearheaded the idea of independent enterprise and entrepreneurial growth allowing businesses of all sizes to be recognized locally and encouraged globally.

Particular emphasis is given to meeting and exceeding industry benchmarks for customer service, product quality and ethical practices. Industry leading standards and practices have been developed and implementation of the same has been pioneered by the dedicated efforts of the business community and commerce leadership.
